I love this time of year. The cold, dreary winter months are coming to an end and we begin to see the signs of new life. Spring is arriving. The trees and flowers are budding. The birds return with their singing and the sun begins to shine again. But more important than all of this, is that this is the time of year when we, as believers, get the privilege of celebrating the resurrection of our Lord on Easter Sunday. What a joyous time!! As we celebrate, it also gives each of us an opportunity to evaluate our own lives to see if maybe, just maybe, there are things that the Lord wants to resurrect in our lives. It could be many things. It could be a ministry God called you to that you didn't fulfill because you were afraid or felt you were not qualified. It could even be something you do not even realize is "dead" or dying. Things like personal prayer time, devotion time, and fellowship with the body of Christ. Don't wait! Today is the day. As you celebrate this season of Jesus's resurrection, ask the Lord what he wants to resurrect in you. You may be in for a surprise!!!

Blessings,
Trish

Pastor Stephen Zirkle has resigned from our Local Committee to concentrate on the other ministries he is involved in. Although we will miss him as part of our CEF Chapter, we know he will be serving the LORD in many other ways.

"It has been a pleasure working with CEF. I am excited about your ministry! You already have done significant things for the Kingdom! "
