Your church can Adopt-A-School through CEF's GOOD NEWS CLUB® program. Evangelize, disciple and introduce children to your church. This can be a tremendous outreach as members of your church volunteer as teachers, helpers and prayer partners. GOOD NEWS CLUBS meet once a week at local public schools. Personal follow-up to children and their families can increase your church growth and most importantly continue the growth of God's Kingdom and bring glory to His name.

CEF® provides: Pre-approved elementary school locations, training for all club volunteers, teaching materials, the GNC program, staff support, follow-up helps and materials, legal assistance, and liability insurance.

Church provides: Team leader/ administrative coordinator, teachers/support staff, prayer partners, finances to facilitate the club, weekly statistics, snacks/refreshments, follow-up of children, and a church home for children/families.

Sound Systems Needed

We are looking to raise money for two portable sound systems (one for Fayette events and one for Somerset events). Having a portable sound system in each county will help make ministry more effective. When we are teaching or speaking outdoors, there is a lot of background noise to overcome. Even indoor clubs in shared spaces can make it challenging for the kids to hear the music and teaching during clubs and events. We are looking to expand this ministry in every way possible, to reach as many children as possible, so we are present at many community events to try to get the word out about CEF. Our ministry budget is tight, so extra donations toward this need would be greatly appreciated.
